Dear parents/guardians,

5th December 2013

This year the School Council has a number of projects that we would like to undertake.

First of all, we would like to run a whole school competition to design an "Anti-bullying poster" for our school and playground. The competition winners will have their posters printed professionally. The posters need to remind each other to be good friends, have kind hands use kind words and tell an adult if something upsets them. The closing date for the competition is Monday 16th December.

Also, as a School Council we are really worried about speeding traffic, the way some drivers approach the school and how some drivers even park on the zig-zag lines. We would also like pupils to design a banner to encourage drivers to take care and not exceed 20mph. The closing date for these banner designs is also Monday 16th December.

As a School Council we have also asked Mrs Price to book "Skippy John" for a whole school skipping workshops for the new year. Mrs Price has agreed and we have booked an activity day on Friday March 7th.

We will be writing to you in the new year to inform you of our ideas and up ad coming projects.

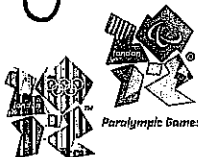

Thank you

School Council
